**MUSIC CAMP & JAM
FRIDAY & SATURDAY
June 6 & 7, 2014.**

We held the festival last year and it was very successful. It will be a super camp this year. Check out the inclosed flyers,

We did not receive a grant this year to put on the Music Camp or the Arts Camp., thus any money help would be greatly appreciated to help with these very special days of instruction. We are asking you dig deep into your pockets and help in any way, no amount is too small.

This music camp is Really A Great Deal. We need you help getting the word out! Please put the flyers in a high traffic place (your church, super market, etc.) Don't forget to tell your friends and invite them to become members of the League.

Self contained camping will be available for the two days. There will not be an open stage, just jamming on the league grounds (around a campfire, or on the pavilion, or in the parking lot or etc).

Thanks to everyone who has supported the League in the past. We really appreciate you help at the events at the League, be it help parking cars, working in the kitchen, placing flyers at local business, setup and take down of chairs and etc.
